

Veterans Home - Chippewa Falls

10.19.2022 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

Unfortunately, two team members were diagnosed with COVID-19 since our last update. Accounting for all COVID-19 recoveries, currently we have 2 active cases of COVID-19 on campus (2 team members, 0 members).

Visitors are still being welcomed to all households. Masks continue to be necessary due to the COVID Community Transmission levels. Please consider visiting outside with your loved one if the weather is nice, or consider telephone or virtual visits if you are more comfortable with connecting from afar.

Additionally, we are working on scheduling another COVID-19 immunization & updated booster clinic in the coming weeks. Please be on the lookout for more information coming soon. If you are the activated power of attorney for health care or a legal guardian for one of the members, we will need your written consent to give the vaccination. Please respond timely when those are sent out soon.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you do test positive after recently visiting the Veterans Home, please alert us so we can take proper precautions for your loved one and the other members & team members at the Veterans Home.

Please let us know if you have questions! Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl
